of the

I am in receipt of your letter of 4th inst. & date regarding the file relating to the revision of the Constitution of the Mysore Legislative Council, revised under the provisions of the Mysore Legislative Council Act, 1919. I am deeply grateful for your interest & assistance in this matter. I am deeply grateful for your interest & assistance in this matter. I am deeply grateful for your interest & assistance in this matter.

Approved by
His Highness
WS
14/9/21

Though I have proposed certain amendments in the Constitution of the Mysore Legislative Council, I have no objection to the amendments proposed by you. I have no objection to the amendments proposed by you. I have no objection to the amendments proposed by you.

12.11
effly. he will not be, I shall not press any more -
keep it separate.

I think the Judicial & the Legislative should always
be together & they should vote as one member and
on this occasion vote as one member of Committee.
The Police need not be connected with them too at all.
The Hon. B. Rajagopal has been heard these independently
of the other two who were ~~the~~ ^{the} ~~and~~ ^{and} members
of Council. So, there is no reason for the third member to
be ~~connected~~ ^{connected} with the other two. ~~the~~ ^{the} ~~Chairman~~ ^{Chairman} of the Judicial & of the Legislative
should be ~~separate~~ ^{separate} to be ~~connected~~ ^{connected} with the other two.
The Judicial & the Legislative should be ~~separate~~ ^{separate} & ~~connected~~ ^{connected} with the other two.
I think it is ~~not~~ ^{not} ~~the~~ ^{the} ~~Chairman~~ ^{Chairman} of the Judicial & of the Legislative
should be ~~separate~~ ^{separate} to be ~~connected~~ ^{connected} with the other two.

It will not be out of place here for me to
bring it to the notice of the Hon. B. Rajagopal.
Who has thought fit to address a letter to the Hon. B. Rajagopal
about this matter. I hope you will see the
importance of a member of Council (at least) being
connected with the other two. ~~the~~ ^{the} ~~Chairman~~ ^{Chairman} of the Judicial & of the Legislative
should be ~~separate~~ ^{separate} to be ~~connected~~ ^{connected} with the other two.
If he had any friends to make, it would have been
a more straightforward case for him to have done so
than this. He has raised a question - the judicial & the
legislative should be ~~separate~~ ^{separate} & ~~connected~~ ^{connected} with the other two.

In my ref of 6 Dec 18. I cannot let
 me of his statement as unchallenged & ^{the} ~~my~~ ^{my} ~~are~~ misleading.

I am very sorry to trouble you with this
 rather long communication but I could not well
 keep it in my own hands.

I shall be obliged to you for brief reply #45
 order & communication from 6 Dec as early as
 possible. The file is returned to me.

Yours truly,
 W. H. D. S.
